

## **HARVINGTON PREP SCHOOL**

### **CITIZENSHIP**

At Harvington Prep School we promote good citizenship generally through the ethos of the school and specifically within our P.S.H.C.E. programme. It is also a main focus of School Council meetings and assemblies. Citizenship is imbedded in our school Golden Rules. It is underlying meaning of our school motto, **Vincit Omnia Veritas**, kept alive through our school song, celebrating the good citizen.

All staff are responsible for promoting the values of good citizenship through example, and by utilising certain Citizenship Awards. Through mutual discussion, staff ensure that pupils understand the concept of good citizenship.

Good Citizens receive Citizen's Awards at our annual Prize Giving ceremony.
